LRA Applauds 19 Staff for Excellent Performance

(Monrovia, August 6, 2019): The Liberia Revenue Authority (LRA) Human Resource Management Division (HRMD) has released the 2019 mid-year performance report, recognizing 19 employees for excellent performance during the first half of FY 18/19.

Those recognized came from six core departments including the offices of the Commissioner General, Technical Affairs, Administrative Affairs, Domestic Tax, Customs and Internal Audit.

According to the HRMD, the LRA practices a strong performance-driven culture with the aim to promote efficiency and encourage quality performance.

The Performance Evaluation, among others, is intended to examine the performance of employees, while the recognition seeks to motivate employees in the discharge of their respective duties.

The excellent performing staff were selected based on their brilliant performance with a mark of 90 to 100 percent, constituting the combined average scores of Quarter One (July 1-September 30, 2018) and Quarter Two (October 1- December 30, 2018).

Meanwhile, the HRMD has congratulated the performing staff and urged them to keep up the good work, while also encouraging all employees to keep working diligently to also be recognized.
