IMPORTANT GOVERNMENT REVENUE NOTICE

Topic: Reminder of Tax Obligations

Attention: Taxpayers In Construction Sector

The Liberia Revenue Authority has observed a low level of compliance relative to the registration, filing, and payment of taxes in the construction sector.

In view of this high level of non-compliance, the LRA encourages all taxpayers in the construction sector, or owners of construction firms to immediately begin settling their tax obligations as required under the Liberia Revenue Code.

Those concerned are required to register their businesses, file their returns and pay their tax obligations on time.

Meanwhile, the LRA hereby invites all taxpayers in the construction sector to a very important meeting on Friday, October 19, 2018 at 10:00am in the Conference Room on the Ground Floor of the LRA Headquarters at the ELWA Junction.

The LRA looks forward to your attendance as we collaborate in improving voluntary compliance in the construction sector.
