Subject: Implementation ECOWAS External Tariff

The Liberia Revenue Authority informs the General Public, especially importers and exporters that the implementation of Year Two of the ECOWAS Common External Tariff (CET) Migration Plan will begin September 1, 2019.

The ECOWAS Common External Tariff is a basic feature of the economic integration on unified trade tariff on imports of goods and services in ECOWAS countries.

The ECOWAS Common External Tariff was enacted by the Legislature in 2016 and amended in December 2017. Year One implementation started in June 2018.
